

Dear Professionals,

We understand that there is uncertainty and frustration regarding the re-opening of golf in the country. Our position remains firm that we will comply with Level 3 Regulations.

We are in communication with other SA golf bodies and it is hoped that the Government will clarify their position on non-contact sports this week.

The South African Police Service has conducted raids on certain clubs, and we have been advised they will continue to do this.

We ask that you please do not attempt to play or practice at any club or facility until our Government makes a statement in this regard. We cannot jeopardise the progress that has been made so far and thank you for your patience.

Thank you
